The University of Tennessee**KNOXVILLE**

A false rumor is in circulation that the University of Tennessee has no more room for men in the Students' Army Training Corps unit. This is a mistake. There is ample room for all who are prepared to enter the University. Applicants should forward their high school certificates at once.

NO INFLUENZA

Report of Disease Among Soldier Students Denied.

Knoxville, Sept. 28.—No cases of Spanish influenza exist here, according to the board of health director, Capt. Johnson and Medical Officer Jacobs say cases rumored to be among soldiers at the University of Tennessee are nothing more than colds.

PESKY BED BUGS

A MILLION BEDBUGS. Just think, a 350 package of the new golden chemical P. D. Q. ("Peaky Devil's Quinine"), is enough to make a million bed bugs disappear! No matter how large they may be, where they come from, their age, color or sex, and at the same leaves a coating over their eggs and prevents them from hatching.

CUT THIS OUT. This new chemical can be had at any first-class drug store. A 35-cent package makes a quart of P. D. Q., and will go

further than a barrel of old-fashioned bug killer. Don't let anybody impose upon you. Order by mail and get it delivered to you. When you take it, then you'll have what doctors prescribe.

KILLS PESTS ON DOGS. It's fun to see the fleas jump off your dog.

KILLS CHICKENS AND LICE. No need for your chickens to have lice. A 35-cent package makes a gallon of chicken lice killer.

Your druggist has it, or can get it for you.

**WE'LL GO OVER THE TOP
WILL YOU?**

The boys are going over the top. Will you go, too? Will you be as free with your dollars as they are with their lives? You must!

American blood is being spilled without a murmur. American dollars must be spent without question.

"We Have Toiled Cheerfully Against the Day of Battle"

—Gen. John J. Pershing

The Men of the A. E. F. Expect That the Fourth Liberty Loan Will be Subscribed

In the camps and villages of France we have been training and preparing these many months for the supreme test. In the ports and along the road that reaches from the sea to the battle front, we have been organizing, constructing, achieving.

We have toiled cheerfully against the day of battle, and the spirit that has urged us on through the discomfort and drudgery of muddy fields and sodden trenches, in storm-swept ports, in rain and sunshine, has been the determination to be worthy of those whom we left behind when we crossed the seas. By the side of the allied veterans of the four years' conflict we have made a beginning as proof of what we hope to accomplish.

The news of America Awake, of the National Spirit more strong, more unified, more determined day by day thrills us all. We have a thousand proofs that our people are behind us. The past successful loans, the fleets that are being launched, the voluntary economies willingly undergone for the cause of the World Freedom, make us proud that we represent you.

The American Spirit of Liberty and Freedom urges us to continue until the end. It is the knowledge of that spirit which makes us certain that our people at home will stand behind us as they have from the beginning so that we may return soon to you, the Victory won.
